Mr. Dulles:

a. Noted a newspaper article from La Prensa which indicated some 5,000 Russians had returned to the Soviet Union from Buenos Aires and asked DD/P to furnish him the facts on this as a matter of urgency.

[REDACTED]

c. Noted a cable from [REDACTED] proposing a dinner for him on a particular date during his visit there and said it was almost impossible for him to accept invitations in advance since in all probability his arrival and departure at the various stations to be visited would be changed a number of times during his forthcoming trip. The Director commented this also would apply to a message from [REDACTED] setting up a time for him to see [REDACTED]. In this connection the Director remarked he would have to take his chances on seeing high officials of the governments of the countries to be visited.

Mr. Wisner:

[REDACTED]

b. Reported [REDACTED] had discussed with ONI a certain item raised at yesterday's NSC meeting and the Navy

had agreed that action pertaining thereto was theirs and ONI would handle. Mr. Wisner also noted Captain Packard of ONI had stated that he was highly pleased with CIA reports he had received on the [REDACTED] situation.

c. Stated that [REDACTED] had raised the question as to whether CIA should attempt to brief Chief Justice Warren prior to his forthcoming visit to India, noting that Justice Warren is now in Copenhagen and leaves in a few days for New Delhi. After some discussion it was agreed that in view of the limited time available, no attempt would be made to do this.
